IF YOU'RE STREAMING PRE-1972 SONGS...

...and have not been paying SoundExchange royalties to stream them, you have until July 8th to do so or be subject to state lawsuits...[Read the alert notification here](#)

NAB's Curtis LeGeyt recaps this week's House Energy & Commerce Telecom Subcommittee Oversight Hearing with all five FCC Commissioners. Topics include:

- C-band
- Press Freedom
- Video Marketplace
- FM Chips
- Broadcast Diversity Data
- TV White Spaces
- Media Ownership
- ATSC 3.0

Federal
Communications
Commission

Fixed-satellite service (FSS) earth stations that operate in the 3.7 to 4.2 GHz band need to register an information accuracy statement with the FCC by 5/28/19 with:

- Call sign(s)
- File numbers
- Registrant name
- Signed certification statement

Operators of transportable FSS earth stations must also submit:

- Address where equipment is stored
- Area where equipment is used
- How often/duration equipment used
- # of transponders & extent of use in uplink & downlink.

Member Spotlight

This week, I would like to thank the 17 judges that took time out of their busy schedules to view and/or listen to over 150 commercial, promo and PSA entries in the VAB's Commercial of the Year Contest! Thank you very much and we look forward to revealing the winners at the Convention Luncheon!

BROADCASTERS FOUNDATION OF AMERICA

Broadcasting Hope
Help us reach broadcasters in need.

[LEARN MORE](#)

The banner features a background image of hands typing on a keyboard. On the left, there is a logo of a microphone with an American flag design. The text 'BROADCASTERS FOUNDATION OF AMERICA' is in white on the left side. The main text 'Broadcasting Hope' is in a large, white, serif font, with the tagline 'Help us reach broadcasters in need.' below it. A red button with white text 'LEARN MORE' and a right-pointing arrow is on the right side.
