Spotlight on 2 Millennial Broadcasters!

Katie Sexton

**Promotions Manager
Hall Communications Radio Group
South Burlington, VT**

A 2017 graduate of CCV, prior to joining Hall Communications, Katie worked at Dealer.com as a Social Media Coordinator. But she was looking for more fulfillment and happiness in her job and is happy to report she has found it!

Katie lives in St. George, VT and just got married on October 19th!

Even though she is technically a Millennial, Katie said she has an "old soul"!

Christopher Williams

**Graphic Artist & Promotions
Producer
Local 22/44
Colchester, VT**

A graduate of Castleton University, prior to joining Local 22/44, Christopher was a photographer and freelance producer in the Burlington area who helped small, in-house creative teams take on unique projects. He had some experience producing for Outside Television, but jumped at the opportunity to join Local 22/44's production department and expand his skill set in an established media space. Unlike a textbook Millennial, Christopher described himself as more of a lo-fi digital native. In his free time, Christopher is a photographer

for SkiVermont who travels the state shooting during ski season!
