## Free Webinar by David Oxenford Thursday 11/18: *Everything Political; Preparing Broadcasters for 2022*

**Thursday, November 18th | 1:00-2:30 p.m.**

Many are suggesting that 2022 will be the biggest year ever for political advertising. Already we are seeing ads for candidates for elections next year, and disputes over those ads. Are you up to date on all the FCC rules that govern your sale of political ads? Do you know who you need to sell to, the rates that you can charge, and all the paperwork that is required – including the latest on the online political file?

In a 90 minute webinar on November 18, David Oxenford of the DC law firm Wilkinson Barker Knauer LLP will be joined by the staff of the FCC's Office of Political Programming – Bobby Baker, Gary Schonman and Sima Nilsson – to provide a refresher on the rules that you need to know to prepare for the 2022 election season.
