Protecting Your Stations From Cyber Attacks

**CYBERSECURITY
& INFRASTRUCTURE
SECURITY AGENCY**

The US Government has issued warnings to American companies about cybersecurity threats tied to the current political climate with Russia.

The VAB advises broadcasters to assume they remain a high-profile target to cyber attacks.

In recent weeks, Russian state-run media has been hacked multiple times. There's no reason the reverse couldn't happen here. [Read the eight steps businesses should take immediately to protect themselves.](#)
